Plantnet's Summer Crunch® Range
Home gardeners should be excited about this cold-hardy collection – after all, they're the first new range of pears available to Aussie home gardeners in decades! What's more? They pollinate each other and by grafting them all onto dwarf rootstock, backyard size won't matter!

Cool Crisp - Slight orange to red blush over a yellow-green skin.
SunGold - Golden to bright yellow skin.
Red Princess - Red Skin that turns even deeper red on the counter. This non-browning variety will make a lunch box favourite.
Sweet Reward - Slight red to orange blush over a light green skin.
